Faithfulness

Eighth week in the series: Fruit of the Spirit
Galatians 5:22-23

The tide of our culture threatens to slowly pull us away from God. In the face of this tide, God calls us to be faithful — faithful to him and faithful to each other. Are you ready to grow in faithfulness?

Discussion Questions:

1. How have you seen God's faithfulness in your life?
2. How has the faithfulness of God impacted your faith in him?
3. What are ways in which you struggle to be faithful to God?
4. What are ways in which you have demonstrated faithfulness to God?
5. Do you think that others find you to be reliable and dependable? How could you grow in your faithfulness to others?
