God Is

Fourth week in the series: Exodus: Journey to Freedom
Exodus 3:1-22

After meeting Moses in chapter 2, we see God find him in Midian and call him to a monumental task. Understandably so, this causes Moses to ask deep questions about who he is and who God is. In the answers, we find powerful help for our own struggles with identity, faith, and calling. We'll see that we might be asking the wrong questions and that the answers are simpler than we think.

Discussion Questions:

1. What are some of the different ways you understand your identity?
2. In what situations do you find yourself tempted to hide or retreat?
3. Where do you look to answer questions about your identity?
4. How would you feel if God gave you the answer he gives Moses in verse 12?
5. What questions do you have about the existence of God?
6. How does the simple idea that "God is" resonate with you?
