Overcoming the Resistance

Fifth week in the series: Exodus: Journey to Freedom

Exodus 4:1-31

In Exodus 3, Moses is given a clear yet difficult call from God. In Exodus 4, Moses tries to resist this call. Do you ever find yourself resisting God's call? What are the factors that tend to keep us from following God in faith? As we explore these questions, we will see how our faith requires God's grace.

Discussion Questions:

1. Have you ever felt "called" by God to do something? How do you discern what God is calling you to or where he is leading you?
2. What doubts or fears keep you from responding to God's call or stepping out to follow him in faith?
3. How do you respond to these doubts and fears? Do they immobilize you in your obedience to God, or do they motivate you to move forward in faith?
4. Is there an act of obedience that you are currently resisting? What gift of grace do you need to overcome this resistance in your soul?
