Preacher: Paul Taylor

Part of Something Bigger

Seventh week in the series: Exodus: Journey to Freedom

Exodus 6:1-30

We've already seen several of Moses's objections to God's plan for delivering the Israelites from slavery. In this chapter, as Moses takes steps in obedience, he stumbles and brings one more complaint to God. In response, God speaks to Moses about the covenant and reminds him that he is part of a much larger story that God has been writing over the course of history.
