A Night of Watching

Tenth week in the series: Exodus: Journey to Freedom
Exodus 12:1-50

This is the climax of the story of the Exodus. God's people leave their slavery in Egypt. As God executes the tenth plague on Egypt, the Israelites are given instructions on how to find protection from God. Intermingled with the story in Egypt are instructions for remembering this night every year to come. This night -- a night of watching -- would become the foundational event to shape God's people throughout history.

Discussion Questions:

1. Are there any ways that God has delivered you in the past?
2. How are you hoping God might deliver you in the future?
3. What are some regular patterns which help to remind you of God's deliverance?
4. What do you appreciate about the practice of the Lord's Table?
