# Ready to Listen

**15th week in the series: Exodus: Journey to Freedom**  
**Exodus 19:1-25**

We are about to arrive at the most important chapter in the book of Exodus: the giving of the Ten Commandments. But before we get there, God must make sure his people are ready to listen well to his instructions. As we watch him prepare the people, we will learn how important it is to prepare ourselves to hear from God and what it takes to do so.

## **Discussion Questions:**

1. How willing are you to listen to God?
2. What does that willingness look like practically?
3. What are some things that you do or could do in order to prepare yourself to hear from God?
4. Share about your emotional experience with God - what does that look like?
5. What words do you hear when you listen to Jesus?
