There's Room At the Table

Fourth week in the series: Witness | The Sermons of Acts

Acts 10:24-48

This week we will Journey with Peter as he makes his way to Cornelius's house to share the Gospel with the Gentiles in Acts 10. We will see that God has made room for all nations to have the opportunity for new life through Jesus. How might we make room for others who are different than us?

Discussion Questions:

1. Reflect on ways God has orchestrated unique moments for you to share the Gospel.
2. Has there ever been a time when you were reluctant to share the Gospel with someone different than you?
3. What biases can hinder us from showing the Love of Christ?
4. How might you lean on God's spirit in sharing the Gospel?
