Preacher: Dan Westman

Life in a Broken World

Eighth week in the series: Genesis | In the Beginning
Genesis 3:14-19

Many people recognize that the world is broken; few truly understand why. The biblical story, beginning in Genesis 3, shows us how deeply sin has fractured creation and what God is doing to redeem and restore it.

Discussion Questions:

1. When you think of the consequences of sin, what comes to mind? Do you see those things in Genesis 3?
2. Where do you see the world struggling with the forces of evil? How do you experience this in your own life?
3. How have you seen relational brokenness in the world or in your own life? How have you seen God heal or redeem this brokenness?
4. How do you experience struggle in your work or vocation? How would you like God to address this struggle?
5. How does Jesus' work on the cross and the promise of the new creation give you hope in the present?
