Preacher: Dan Westman

The Wisdom and Power of God

Second week in the series: Under the Cross

1 Corinthians 1:18-31

Do you want to be wise? Do you seek after power? We all do to some degree, but we often misunderstand what true wisdom and power are. In this passage, “earthly” wisdom and power are turned on their head as true wisdom and power are defined in a person: Jesus Christ, the wisdom and power of God.

Discussion Questions:

1. Do you find yourself seeking wisdom and power? How is this helpful? How is it harmful?
2. What does the cross show us about the nature of true wisdom and power?
3. How do the wisdom and power of God contrast with the wisdom and power of the world?
4. Do you ever struggle to believe that God can work through you? How might this passage give you confidence that God can work through you?
5. What are you doing that requires God’s power to be effective?
