

— ENDOWED OPPORTUNITY AWARD

*Help a student excel at
 Texas A&M University*

There are thousands of stories of students making their way to Aggieland with a suitcase in one hand and a dream in the other. They've come from farms, small towns or inner cities with everything going for them but personal finances. For more than 50 years, Endowed Opportunity Awards (EOAs) have helped highly motivated students achieve their dreams at Texas A&M.

Today, EOA scholarships typically support deserving middle-income students who often miss out on other need-based funding but still require significant financial support to attend Texas A&M. Many families face economic challenges right now, and EOAs lighten their load.

With your help, more deserving students will have the chance to succeed. Because EOA scholarships are endowed, they support Texas A&M students forever.

Fund an EOA

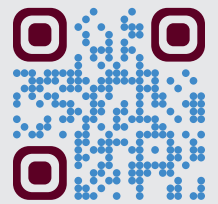

An individual or group can establish an EOA with a \$25,000 gift payable over a five-year period. You can also create a future EOA through a planned gift. EOA gifts to the Foundation are tax-deductible and may be made in the form of cash, securities, real estate or corporate matching gifts. You can also choose to name an EOA in memory or honor of a person, class or organization.

This scholarship provides a student with a four-year award. Every four years, a new student will benefit from your scholarship.

Leave a Legacy

The EOA program allows you to develop relationships with current Aggie students. You will have the opportunity to meet your scholars and other donors at an annual on-campus celebration during Family Weekend in the spring.

"My EOA helped me pursue dual degrees, while also holding a research lab position. It was the perfect opportunity for my future career in medicine."
