# PRODUCT CATALOG

# We're Taking Organics Recycling **FULL CIRCLE**

Cedar Grove, a local environmental solutions company, empowers businesses to attain zero-waste goals with our innovative waste collection services and compostable packaging line.

## **100% Compostable**

As the largest locally owned and operated compost company, we guarantee that our packaging products are 100% compostable.

## **The Local Touch**

Cedar Grove offers a full line of compostable packaging options. We strive to provide the highest quality products and outstanding service at competitive prices. We stand behind our products.

- Easy ordering systems
- Professional, friendly service
- Customer-centered approach
- Local service representatives

**We divert 350,000 tons  
of food & yard waste from landfills every year!**

**Local. Organic.**
