

FIRSTNET
Built with AT&T

The only nationwide network built with and for public safety

Members on FirstNet® can access the network through our benefits provider NPPGov. FirstNet is the reliable, highly secure communications network built with and for first responders. With First Priority®, which includes priority and preemption capabilities, first responders never have to worry about competing with commercial traffic. Keep the lines of communication open when it matters most.

- No throttling for FirstNet subscribers anywhere in the U.S.
- Affordable rate plans and industry-leading devices with advanced features
- Prioritized access – never competing with commercial traffic
- Heightened security to resist physical and cyber threats
- 24/7/365 support and a dedicated security operations center

To get started; visit the following link and a FirstNet representative will be in contact:
