

Public Information Open House

Welcome Letter

August 24, 2017

Thank you for attending the Public Information Open House (PIOH) for the Old 41 Highway Bridge over the CSX Railroad replacement, Cobb County Department of Transportation (CCDOT) Project X2116. Our goal is two-fold: 1) to provide you with information on the proposed project and 2) to provide an opportunity for you to give us your comments on the proposed project. In this handout package, you will find a project map and a comment card.

As you enter the room, please take a look at the project displays. County and City representatives, wearing nametags, are available to discuss the project and answer your questions. There will be no formal presentation.

We hope you will take the opportunity to tell us what you think. Listed below are several ways to comment on the project. Your comments are important to us and, should you provide comments by one of the methods noted below, we will respond to you in writing usually within 30 days of the close of the comment period. All comments will become part of the project's official record.

While you are attending the open house, you can provide your comments today by filling out the comment card provided with this handout and dropping it in the comment box.

You can also provide your comments by September 7, 2017 by sending them to:

Ms. Karyn Matthews
Cobb County Department of Transportation
1890 County Services Pkwy.
Marietta, GA 30008
karyn.matthews@cobbcounty.org

The project displays and plans will be available for review for ten days after this open house at the Cobb County Department of Transportation Headquarters at the address listed above. Following the ten-day public comment period, a copy of all comments received will be available by request at the address listed above.
