Thank you for attending the Public Information Open House for the Windy Hill – Terrell Mill Connector project P.I. 0013967. Our goal is two-fold: 1) to provide you with information on the proposed project and 2) to provide an opportunity for you to give us your comments on the proposed project. In this handout package, you will find a fact sheet and a comment card.

As you enter the room, please take a look at the project displays. Cobb County DOT representatives, wearing nametags, are available to discuss the project and answer your questions. There will be no formal presentation.

We hope you will take the opportunity to tell the Cobb County DOT what you think. Listed below are several ways to comment on the project. Your comments are important to us and, should you provide comments by one of the methods noted below, we will respond to you in writing usually within 30 days of the close of the comment period. All comments will become part of the project's official record.

While you are attending the open house, you can provide your comments today by filling out the comment card provided with this handout and dropping it in the comment box, or you may choose to provide your verbal comments to the court reporter who will transcribe your comments.

You can also provide your comments by Tuesday, November 29, 2016 by sending your comments to:
