Senate Bill 266
By Senators Stoner of the 6th, Thompson of the 33rd, Tippins of the 37th, Hill of the 32nd and Rogers of the 21st

AS PASSED

A BILL TO BE ENTITLED

AN ACT

To amend an Act known as the "South Cobb Development Authority Act," approved April 12, 1982 (Ga. L. 1982, p. 3772), as amended, so as to define a term; to change the name of the authority to the South Cobb Redevelopment Authority; to provide for membership of the authority; to provide for the geographical area of operations of the authority; to provide for purposes and objectives of the authority; to cite constitutional authority for said Act; to provide for tax exemptions; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

§ 1. An Act known as the "South Cobb Development Authority Act," approved April 12, 1982 (Ga. L. 1982, p. 3772), as amended, is amended by revising paragraph (3) of subsection (b) of Section 1 to read as follows:

"(3) 'Development area' means the geographical area of operations of the authority as described in Section 4 of this Act."

§ 2. Said Act is further amended by revising subsection (a) of Section 2 as follows:

"(a) There is created a body corporate and politic known as the South Cobb Redevelopment Authority."

§ 3. Said Act is further amended by revising subsections (a) through (d) of Section 3 to read as follows:

"(a) The authority shall be composed of seven members to be appointed as provided in this subsection. Four members of the authority shall be appointed by a majority of a quorum of the Cobb County Board of Commissioners. The remaining three members of the authority shall be appointed by a majority of a quorum of the Cobb County delegation to S. B. 266

- 1 -
the General Assembly whose districts include any part of the development area. Terms of
office of members of the authority shall be for four years and until their successors are
appointed and qualified; except that the initial three members appointed by the Cobb
County legislative delegation shall serve for terms of office of one, two, and three years,
respectively; and until their successors are appointed and qualified. Any vacancy in office
shall be filled in like manner as the original appointment, and the person appointed to fill
such vacancy shall serve for the remainder of the unexpired term and until a successor is
appointed and qualified.
(b) Reserved.
(c) Reserved.
(d) Reserved.*

SECTION 4.
Said Act is further amended by revising Section 4 to read as follows:

"SECTION 4.
The development area defined in this Act shall be all of that tract or parcel of land located
in Cobb County, Georgia, described as follows:
Starting at the point of beginning, which is the intersection of Maxham Road/State Route
5 (a.k.a. Austell Road) and the Cobb County/Douglas County line, and extending
north-northeast to an intersection with the East-West Connector; then continuing east on
East-West Connector to its intersection with the corporate limits of the City of Smyrna;
then continuing west then south along the corporate limits of the City of Smyrna and then
following these said city limits until they intersect with the Chattahoochee River; then
continuing south-southwest along the west side of the Chattahoochee River until its
intersection with the Douglas County line; then continuing north-northwest along this line
until its intersection with Maxham Road/State Route 5, being the true point of beginning.*

SECTION 5.
Said Act is further amended by revising Section 7 to read as follows:

"SECTION 7.
The revitalization and redevelopment of the development area as defined in this Act
develops and promotes, for the public good and general welfare, trade, commerce, industry,
and employment opportunities and promotes the general welfare of the state by creating
a climate favorable to the location of new industry, trade, and commerce and the
development of existing industry, trade, and commerce within Cobb County and the State
of Georgia. Revitalization and redevelopment of the development area by financing
projects under the Act will develop and promote, for the public good and general welfare,
trade, commerce, industry, and employment opportunities and will promote the general
welfare of the state. It is therefore in the public interest and is vital to the public welfare
of the people of Georgia, and it is declared to be the public purpose of this Act to so
revitalize and redevelop the development area. No bonds, notes, or other obligations
(except refunding bonds) shall be issued by an authority hereunder unless its board of
directors adopts a resolution finding that the project for which such bonds, notes, or other
obligations are to be issued will promote the foregoing objectives."

SECTION 6.
Said Act is further amended by revising Section 10 to read as follows:

"SECTION 10.
(a) This Act is enacted pursuant to Article IX, Section VI, Paragraph III of the Constitution
of Georgia.
(b) The obligations, properties, activities, and income of the authority shall be subject to
such tax exceptions as may be provided by general law."

SECTION 7.
All laws and parts of laws in conflict with this Act are repealed.
November 19, 2010

The Honorable Tim Lee
Chairman, Cobb County Board of Commissioners
100 Cherokee Street
Marietta, Georgia 30090

RE: Cobb County Opportunity Zone designation

Dear Chairman Lee:

Congratulations, your application for Opportunity Zone Tax Credits has been approved. Businesses within the Opportunity Zone boundaries as outlined on the enclosed “official” map may begin taking the credit on jobs created on or after January 1, 2010 provided a minimum two net new jobs are created. Please note the approved Opportunity Zone map, will soon be published on the Department’s website and is available to all interested parties.

As part of the Opportunity Zone Tax Credits, businesses which are unable to use the credit against their Georgia Income Taxes may claim the excess credit against their withholding taxes. Please note that in order to claim the benefit of the withholding tax credits, the business must follow specific steps to insure that the credit may be claimed against withholding:

(1) Create at least the minimum number of jobs to create eligibility;
(2) File Form 11-WH at least 30 days prior to filing the Georgia Income Tax Return on which the credit will be claimed;
(3) File the Georgia Income Tax return by the due date (or extended due date) with a completed Form IT-CA to claim the Job Tax Credit for the Opportunity Zone;
(4) The Department of Revenue will send a letter to the business within 90 days of the date the Georgia Tax Return was filed stating the amount of credit available to claim against Withholding Taxes and when the business may begin claiming the credit; and
(5) The business claims the credit against its Georgia Withholding Taxes.
The Honorable Tim Lee  
November 19, 2010  
Page Two

This designation shall be valid for tax years 2010 through 2020. If you do not renew your Opportunity Zone on or before November 19, 2020, the Opportunity Zone Tax Credits will expire on that date.

By copy of this letter, we will also inform the Georgia Department of Revenue of your designation. Please refer all questions from businesses seeking credits to Dawn Sturbaum in the Community Development and Finance Division at 404-679-1585 or dawn.sturbaum@dca.ga.gov.

We certainly appreciate the assistance that has been provided by county staff during this designation process.

Sincerely,

Mike Beatty  
Commissioner

Tax Abatement Program
Veterans Memorial Highway Area
In an effort to encourage redevelopment in areas along Six Flags Drive between Factory Shoals Road and I-20 high density developments and mixed-use developments are encouraged. To facilitate this redevelopment, Cobb County is proposing a Redevelopment Overlay District (ROD) for the Six Flags Drive corridor from Factory Shoals Road to the I-20 interchange. The ROD regulations, which encourage compatible mixed-uses in redevelopment areas designated in the Comprehensive Plan, can be found in the Cobb County zoning code. The proximity and accessibility of this area to I-20, I-285, and downtown Atlanta and the age of the existing housing stock make it a prime candidate for redevelopment opportunities. Redevelopment fronting Six Flags Drive may require additional donation of right-of-way so that planned streetscape improvements can be implemented along the corridor. Refer to the Six Flags Road Corridor Study for additional details. See appendix map for ROD boundaries.
**Mableton Comprehensive Plan Text**

In recognition of the efforts to improve the quality-of-life of residents and businesses in the Mableton area, the Board of Commissioners encourages adherence to the fundamental principles of New Urbanism to reflect places where all people can live throughout their lifetime. Specific approaches to the design of social spaces, streetscapes, recreation and entertainment facilities, transportation options, retail and residential buildings that incorporate the needs of an aging population are especially promoted in this area as discussed during the Atlanta Regional Commissions Lifelong Communities Program.

With increasing life expectancies and varying levels of ability of the county’s aging population, traditional building forms may be modified to reflect this new reality. Also connectivity, diversity of housing stock, range of transportation options, walkable environment and access to retail, social and health services that provide quality of life at younger ages, become essential for older adults. The Board of Commissioners supports staff coordination with other county departments and the community through public involvement to encourage these goals.

Due to the physical layout of Mableton, development effort will require assemblage and phased redevelopment. This area provides an excellent opportunity to develop innovative land management techniques such as land bank, land trust, tax allocation districts, or other such policies and programs that could assist in meeting this desire. This proposed design could substantially improve the areas economy and standard of living.

In addition, it is essential to repair the local infrastructure to provide the connectivity, diversity, and walkability missing in most of the Mableton area. Staff is committed to focusing on street network and safety in order to provide ample passive opportunities for healthy living and combining these with the flagship Mable House property enhancements this would provide an exemplary healthy living environment for Lifelong Communities.
The "HAWK" Pedestrian Hybrid Beacon at Six Flags Drive

Cobb County places a high priority on pedestrian safety. For this reason the County is installing its first pedestrian hybrid beacon or "HAWK" beacon at Six Flags Drive near Cobb Community Transit's (CCT) Route 30 bus stop. "HAWK" is an acronym for High intensity Activated crossWalk.

For the pedestrian, the HAWK works similar to any button-activated traffic signal. It stops traffic to allow pedestrians to safely cross the road. The biggest difference, however, is for the driver; the HAWK beacon remains dark for traffic unless a pedestrian activates the push-button; no lights remain on or are flashing.

When the pedestrian presses the button, approaching drivers will see a FLASHING YELLOW for a few seconds, indicating to reduce speed and prepare to stop for pedestrians in the crosswalk.

The FLASHING YELLOW is followed by a STEADY YELLOW then by a STEADY RED, requiring motorists to STOP at the crosswalk stop line. At this time, pedestrians receive a WALK indication on the crosswalk countdown timer.

Illustration of a HAWK signal sequence on reverse

PROJECT BENEFITS
- HAWK beacons are intended to aid pedestrians crossing streets with heavy traffic volumes.
- Studies have shown a high compliance rate by motorists with HAWK beacons at pedestrian crossings.
- HAWK beacons are designed for use in locations that do not meet traffic engineering standards for a conventional signal on streets with heavy, high-speed traffic volumes.

PROJECT SCHEDULE
- The Six Flags Drive HAWK Beacon will be operational by Fall 2011.
The "HAWK" Pedestrian Hybrid Beacon

How does a HAWK operate?

<table>
<thead>
<tr>
<th>What Drivers See</th>
<th>What Pedestrians See</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. DARK</td>
<td>Push the button.</td>
</tr>
<tr>
<td>2. FLASHING YELLOW</td>
<td></td>
</tr>
<tr>
<td>3. STEADY YELLOW</td>
<td></td>
</tr>
<tr>
<td>4. STEADY RED</td>
<td>SAFE TO WALK</td>
</tr>
<tr>
<td>5. ALTERNATING FLASHING RED</td>
<td>Start crossing.</td>
</tr>
<tr>
<td>6. DARK</td>
<td></td>
</tr>
</tbody>
</table>

The HAWK remains DARK for traffic until activated. While the HAWK is DARK, traffic can continue through without stopping.

When a pedestrian presses the cross-button, approaching drivers see a FLASHING YELLOW, indicating the beacon has been activated.

The flashing yellow then changes to a STEADY YELLOW, indicating that motorists should reduce speed and be prepared to stop.

The solid yellow is followed by a double STEADY RED, requiring drivers to stop and allowing pedestrians to cross the road safely.

The double solid red lights are followed by ALTERNATING FLASHING RED signals. During this time, vehicles may continue through the HAWK beacon after coming to a complete stop once pedestrians have finished crossing.

The HAWK will then go dark until activated again.

Construction of Cobb County's first HAWK beacon will begin Summer 2011 with completion in Fall 2011 at Six Flags Drive adjacent to CCT route 30 bus stops. If this pilot project proves to be successful, with both pedestrians and drivers effectively using the HAWK, DOT will investigate future sites throughout Cobb County which can benefit from a HAWK beacon.

Pedestrian compliance is important: the HAWK beacon will work only when a pedestrian presses the button to activate the HAWK lights.

Drivers need to remember that a "dark" HAWK beacon is not a guarantee there are no pedestrians attempting to cross. Drivers can be certain, however, red or yellow lights flashing means a pedestrian is planning to cross.

More information about the HAWK is available at Cobb DOT's website: www.cobbdot.org

Cobb DOT web: www.cobbdot.org phone: 770-528-1600 email: cobbdot@cobbcounty.org

While slightly different in appearance, a HAWK Beacon operates like a conventional signal in that it stops traffic flow.
