

Inkjet and Laser Toner Recycling

Office Depot Recycles – And So Can You!

Why recycle? There are a million reasons why we want to help you recycle your empty inkjet and laser cartridges – Which reason will you use?

- Each year 400 million cartridges end up in our nation's landfills.
- Remanufacturing recycled cartridges uses 80% less energy than manufacturing new ones.
- A typical cartridge takes 1,000 years to decompose.
- A year's worth of discarded cartridges placed end-to-end would stretch from California to Florida

Here is a **FREE Recycling Service** for You!

Steps for Recycling:

1. Contact your local rep or catalog order your free collection boxes with pre-paid shipping labels. Call customer service at 877.237.8858.
2. Specify whether you need an inkjet, laser collection box or both!
3. Once you have received your box, place it in a convenient location (mail room, copy room).
4. Once the box is full, seal and return – no postage necessary!
5. Be sure to order another box and keep recycling!
