LITTER

It's not pretty, especially when dumped along our roadways. What's more, your tax dollars are spent each year to clean up the mess.

WHAT YOU CAN DO

Your club, civic group or business can keep Cobb beautiful by joining the Adopt-a-Mile Program. As part of this program, you agree to remove trash from a single, mile-long stretch of road on a quarterly basis – January, April, July and October.

HOW YOU CAN JOIN

- Select someone 21 or older to be your coordinator.
- Identify the one-mile section you want to adopt.
- Call 770.528.1135 to receive an application.

YOUR ROLE

In joining Adopt-a-Mile, you agree to:

- Recruit participants 13 or older.
- Attend safety training before initial cleanup.
- Submit releases of liability, parental consent forms, organization roster and other paperwork.
- Organize four cleanups within a 12-month period.
- Check your mile on a regular basis and conduct additional cleanups if necessary.
- Submit reports after each cleanup.

THE COUNTY'S ROLE

In return, Cobb DOT provides cleanup supplies, signs and trash bag removal. Many volunteers, however, opt to take the trash to a dumpster or the Transfer Station themselves.

BRAGGING RIGHTS

After the first cleanup, Cobb DOT will post signs at either end of "your" mile. That way, passing motorists will know whom to thank! For more information, call 770.528.1135.

A SENSE OF COMMUNITY

Taking part in Adopt-a-Mile not only helps beautify our roads, but it is also an opportunity to be a part of the community. This program is an ideal way for groups to work together to keep Cobb clean and beautiful. Cobb County has a reputation as one of the southeast's most attractive communities. Let's keep it that way!
