Commendations:

A great form of recognition for a Police Department employee is to receive a compliment from someone whose life they have touched. To this end the Police Department encourages commendations for personnel who perform their duties admirably.

Complaints:

It is also our goal to investigate all complaints regarding procedures or performance of our officers while ensuring the confidentiality of both the complainant and the subject of the complaint. As a means of maintaining our professional standards the Police Department welcomes:

- Citizen recommendations on improvements in our service delivery
- Questions or complaints about an employee's performance
