Qualified Contractors for IFC 510 and Emergency Responder Radio Coverage Testing

No recommendation is given or implied by the Cobb County Fire Marshal's Office.

Initial needs testing and final commissioning testing must be performed by an approved contractor. (See list below) Final acceptance inspections are completed by Cobb FMO personnel.

Plans must be reviewed and approved by the FMO prior to installation of or modification to an IFC 510/ERRC system. To schedule a plan review appointment go to CobbFMO.org, Plan Review. After plan approval by the FMO, appropriate permits must be obtained through the applicable building department. Only firms with persons holding a FCC "General Radio Operators" can be issued a permit **and** installation must be supervised by the licensed technicians.
