The words “he, his, him,” which may appear in this policy, are used generically for clarity and ease of reading. These terms are not meant to imply gender and relate to all employees of the Department.

The purpose of this policy is to implement the Policy Manual and other documents which define or regulate the activities of employees of the Cobb County Police Department.

I. POLICY MANUAL

Every employee is responsible for reading and understanding the policies, procedures, directives, memos, SOP’s, and other communications disseminated from the Chief’s Office or through the chain of command. Should a question arise about any such order, the employee’s supervisor should be contacted as soon as possible for clarification.

A. The Special Projects Unit shall maintain a master Policy Manual on the Department’s intranet system that is accessible to every employee. Additionally:

1. Policy Manual books will be provided at work areas for each organizational component of the Department (e.g. precincts, Crimes Against Children, etc.).

2. Upon request, an employee may be issued a copy of the Policy Manual in printed or electronic format.

3. New employees will be issued a Policy Manual during initial training.

B. Any revision, deletion, or addition to the manual will be distributed to Department personnel in electronic format. Any discrepancy between policies will be interpreted in favor of the master Policy Manual on the Department’s intranet system (Resource Site).

1. All revisions to the Policy Manual will carry a revision date. The most current date will be considered the valid policy. When revisions are made, the policy that is rescinded will be indicated by the date of that policy.

2. It is the employee’s responsibility to maintain policy updates.

3. Unit commanders are responsible for updating Policy Manual books
within their organizational components. Each policy will be placed in ascending numerical order within the manual.

4. Supervisors will conduct roll-call training with all subordinates on all new or revised policies.

5. All Policy Manuals and CD-ROMs are the property of the Cobb County Police Department. When a new manual or CD-ROM is issued, the old manual or CD-ROMs should be destroyed or returned to the Special Projects Unit for destruction.

C. Each affected employee shall acknowledge receipt and review of his Policy Manual and for all new, revised, or rescinded policies. The acknowledgement may be in the form of a written Acknowledgement Receipt form, or by electronic sign-off. When a written Acknowledgement Receipt form is utilized, supervisors shall ensure that employees sign the Acknowledgment Receipt. Supervisors shall then forward the Acknowledgement Receipt sheet to the Department of Public Safety Personnel Unit.

D. Each policy shall be formatted to include the following:

3. Policy title;
4. Effective date of the policy;

2. Prior to sending an e-mail to a large distribution group (i.e.: police sworn, police non-sworn, DPS, or other similar group) an employee must have approval from the Deputy Chief of his bureau, or the Major/Captain of his unit if there is no Deputy Chief (e.g. – Training/MCS/IA/etc.).
