

APPENDIX C: INDEX OF ADDITIONAL HISTORIC RESOURCES

Austell USGS Quadrangle (10 historic resources)

Hiram-Lithia Springs Road – between Hill and Story Roads

- c1960 ranch house, east side of road
- c1960 ranch house, east side of road

Angham Road – between Hiram-Lithia Springs and Powder Springs Dallas Road

- 1950s ranch house, south side of road

Angham Road – between the Paulding/Cobb Co. Line and Hiram Lithia Springs Road

- historic house excluded due to loss of integrity, south side of road

Hill Road – between Hiram-Lithia Springs and Brownsville Roads

- historic house – loss of integrity, north side of road
- 1950s ranch house, NW side of road

Ewing Road – between Clay and Flint Roads

- c1950 American small house, west side of road
- c1955 ranch house, east side of road

Ewing Road – between Flint and Macedonia Roads

- 1900 New South cottage, east side of road – loss of integrity

Macedonia Road – between Cobb Parkway and Hopkins Road

- c1950s American small house

Lost Mountain USGS Quadrangle (94 historic resources)

Hopkins Road – between Macedonia and John Petree Roads

- c1920 Georgian cottage, west side of road – loss of integrity

West Sandtown Road – south of Macland Road

- late 1950s American small house
- late 1950s American small house
- late 1950s American small house

Old Villa Rica Road – between Macedonia and Macland Roads

- 1950s ranch house, east side of road
- 1950s American small house, east side of road
- late 1950s ranch house, west side of road
- American small house, west side of road

New Macland Road – between Meek and Macland Roads

- 1950s ranch house, west side of road
- 1950s ranch house, west side of road

Moon Road – between Old Villa Rica and Florence Roads

- ranch house, north side of road

Moon Road – between Florence and Hiram Roads

- c1940s side gable cottage, south side of road

Florence Road – between Moon and Hiram Roads

- c1950s ranch house, west side of road

Florence Road – between Hiram and Macland Roads

- 1950s ranch house, west side of road
- 1950s ranch house, west side of road
- 1950s auto service station, SW corner – loss of integrity

Corner Road – between Wright and Pickens Roads

- c1950s brick veneer ranch house, east side of road
- wood clad c1950s ranch house, west side of road

Old Lost Mountain Road – between Macland and Bullard Roads

- American small house, NW corner of intersection with Macland Road – integrity

Lost Mountain Road – between Macland and Bullard Roads

- 1950s American small house, SE corner of intersection with Bullard Road

Mayes Road – between Midway and Friendship Church Roads

- c1940s single family residence, west side of road

Old Villa Rica Road – between Friendship Church and West Sandtown Roads

- late 1950s ranch house, north side of road

Friendship Church Road – between Old Villa Rica and West Sandtown Roads

- 1950 ranch house, west side of road

West Sandtown Road between Macland and Old Villa Rica Roads

- American small house, east side of road
- American small house, east side of road
- 1960 ranch house, west side of road
- 1950s American small house, west side of road
- frame 1950 ranch house, west side of road
- late 1950s ranch house, east side of road

West Sandtown Road – between Old Villa Rica and Dallas Highway

- late 1950s ranch house, east side of road
- American small house, west side of road
- late 1950s American small house, west side of road

Villa Rica Road – between West Sandtown Road and the West Cobb Parkway

- late 1950s American small house, east side of road
- late 1950s ranch house, northwest side of road
- late 1950s ranch house, northwest side of road
- late 1950s ranch house, northwest side of road
- late 1950s ranch house, northwest side of road
- late 1950s ranch house, east side of road

Dallas Highway – between Midway and Mayes Road

- 1950s American small house, north side of road
- front gable bungalow, north side of road

Dallas Highway – between Castell and West Sandtown Road

- c1900 Georgian cottage, south side of road – loss of integrity
- late 1950s ranch house, south side of road
- late 1950s ranch house, south side of road
- late 1950s ranch house, south side of road

Holland Road – between Old Dallas Road and Nichold Road

- 1900s gable wing cottage, west side of road – loss of integrity

Antioch Road – between Paulding/Cobb Co. line and Due West Road

- 1950s ranch house, west side of road

Mars Hill Road – between Macland and Due West Roads

- 1950s American small house, west side of road
- 1950s American small house, west side of road
- 1950s ranch house, west side of road
- 1950s ranch house, west side of road
- 1950s ranch house, west side of road

Mars Hill Road – between Due West Road and Stilesboro Road

- 1930s tentant house ruin, east side of road
- 1960 fire station, east side of road

Due West Road – between Antioch and Midway Roads

- 1950s ranch house, south side of road
- 1950s ranch house, south side of road
- 1950s American small house, south side of road
- 1950s ranch house, north side of road
- 1950s ranch house, north side of road
- 1950s American small house, south side of road

Hadaway Road – between Due West and Acworth Due West Road

- 1950s ranch house, north side of road
- 1950s ranch house, north side of road
- 1950s ranch house, north side of road

Acworth Due West Road – between Stilesboro and Due West Roads

- late 1950s ranch house, east side of road
- late 1950s ranch house, west side of road
- late 1950s ranch house, east side of road

Due West Road – between Burnt Hickory Road and Dallas Highway

- 1940s American small house, east side of road – loss of integrity

- 1940s American small house, east side of road – loss of integrity
- late 1950s ranch house, east side of road

Bob Cox Road – between Dallas Highway and Burnt Hickory Road

- American small house, south side of road
- American small house, north side of road
- late 1950s ranch house, west side of road
- late 1950s ranch house, west side of road

Burnt Hickory Road – between Due West and Bob Cox Road

- late 1950s ranch house, south side of road
- front gable bungalow, north side of road – loss of integrity
- late 1950s ranch house

Tarpley Road (deadend) – north of Burnt Hickory Drive

- late 1950s ranch house, east side of road
- late 1950s ranch house, west side of road
- late 1950s ranch house, west side of road

Frank Kirk Road – between Burnt Hickory and Kennesaw Due West Road

- c1900s house, west side of road – loss of integrity
- c1920s gable wing cottage, west side of road – loss of integrity

Kennesaw Due West Road – between Due West and Stilesboro Roads

- 1950s ranch house, south side of road
- 1950s hip bungalow, south side of road
- 1940s single family residence, south side of road
- late 1950s ranch house, east side of road
- late 1950s ranch house, east side of road
- late 1950s ranch house, east side of road

Paul Samuel Road – between Acworth Due West and Stilesboro Road

- 1950s ranch house, west side of road
- 1950s American small house, east side of road
- 1950s ranch house, east side of road
- front gable bungalow, west side of road

Stilesboro Road – between Kennesaw Due West and Mars Hill Road

- late 1950s ranch house, south side of road
- c1900s Georgian cottage, south side of road – loss of integrity
- late 1950s ranch house, north side of road
- 1950s American small house, north side of road

Acworth USGS Quadrangle (51 historic resources)

Mack Dobbs Road – between Old Stilesboro Road and Cobb Parkway

- 1920s side gable bungalow, west side of road – loss of integrity

Old Stilesboro Road – between Stilesboro and Old Stilesboro Roads

- 1930s bungalow, west side of road – loss of integrity

Acworth Due West Road – between Stilesboro Road and Cobb Parkway

- 1920s barn, west side of road
- c1960s farmstead with outbuildings, east side of road
- late 1950s/1960s ranch house, west side of road
- late 19th century central hallway cottage, east side of road – loss of integrity
- Mt. Olivet Church – c1966 front gable church, west side of road
- Late 1950s/1960s ranch house, east side of road
- 1950s ranch house, west side of road
- 1950s American small house, west side of road

Jim Owens Road – between Acworth Due West and Cobb Parkway

- late 1950s ranch house, south side of road
- late 1950s ranch house, west side of road

Mars Hill Church Road – Acworth Due West between Mars Hill Roads

- 1910s side gable cottage, north side of road – loss of integrity
- late 1950s ranch house, west side of road
- late 1950s ranch house, west side of road

McClure Road – between Mars Hill Church Road and Cobb Parkway

- 1950s American small house, south side of road

Old Stilesboro Road between Acworth Due West Road and Mars Hill Road

- late 1950s/1960s ranch house, south side of road

- c1900 saddlebag, northeast side of road – loss of integrity

Mars Hill Road – between Stilesboro Road and Cobb Parkway

- c1966 concrete auto bridge over Allatoona Creek
- late 1950s ranch house, east side of road
- late 1950s ranch house, west side of road
- 1950s ranch house, west side of road

Old Stilesboro Road – between Mars Hill Road and the Paulding/Cobb County line

- 1950s ranch house, south side of road
- 1950s ranch house, north side of road
- c1960 ranch house, south side of road
- c1960 ranch house, south side of road
- c1960 ranch house, south side of road
- late 1950s ranch house, north side of road
- late 1950s ranch house, north side of road

County Line Road – between Pitner and McClain Roads

- late 1950s ranch house, west side of road

Dallas Acworth Road – between the Paulding/Cobb County line and Cobb Parkway

- 1950s ranch house, west side of road
- 1930s hall-parlor, west side of road – loss of integrity
- 1950s American small house, west side of road
- 1950s American small house, west side of road

Old Acworth Dallas Highway – north of Cobb Parkway

- 1950s American small house, north side of road

Awtery Church Road – between Cobb Parkway and Allatoona Lake

- c1960 ranch house, north side of road

Cobb Parkway – between the Paulding/Cobb County line and Dallas Acworth Road

- VFW Post 5408, east side of road – appears historic but has lost integrity

Ragsdale Road – between Lake Acworth Road and Acworth Due West Road

- 1930 hip bungalow, west side of road – loss of integrity

- 1950s front gable bungalow, east side of road

Main Street North – between Blue Spring and Nance Roads

- c1960 church, north side of road
- 1930s side gable bungalow, north side of road – loss of integrity
- 1930 side gable cottage, south side of road – loss of integrity

New McEver Road – between Old McEver and Hickory Grove Roads

- c1900 central hallway cottage, south side of road – loss of integrity
- late 1950s single family residence, north side of road

Hickory Grove Road – between Cowan and New McEver Roads

- 1910s saddlebag, south side of road – loss of integrity

Lucille Avenue – between North Main Street and Alatoona Lake

- front gable bungalow, north side of road – loss of integrity
- front gable bungalow, south side of road – loss of integrity
- late 1950s ranch house, north side of road
- late 1950s ranch house, north side of road

Robinson Road – between Lucille Avenue and North Main Street

- 1950s ranch house, north side of road
- 1950s ranch house, north side of road

Kennesaw USGS Quadrangle (53 historic resources)

Hickory Grove Road – between Baker Road and Wade Green Roads

- single family residence, east side of road – loss of integrity
- c1900s gable wing cottage, south side of road – loss of integrity

Wade Green Road – between Wooten Lake Road and the Cherokee/Cobb County line

- 1950s side gable bungalow, east side of road – loss of integrity.

Shiloh Road – between Frey and Bells Ferry Roads

- 1950s single family residence, north side of road
- c1900s central hallway cottage, south side of road – loss of integrity

North Booth Road – between Shiloh and Bells Ferry Roads

- American small house with acreage, north side of road
- c1940s American small house, south side of road – loss of integrity

Bells Ferry Road – between Barrett Parkway and North Booth Road

- 1940s American small house, east side of road – loss of integrity
- 1950s ranch house, west side of road

Piedmont Road – between Bells Ferry and Canton Roads

- 1950 American small house, north side of road – loss of integrity

Canton Road – between Sandy Plains and East Piedmont Roads

- 1950s ranch/American small house subdivision, west side of road
- 1950s ranch house, east side of road
- 1950s ranch house, east side of road
- 1950s ranch subdivision, west side of road

Canton Road – between East Piedmont and Shallowford Roads

- late 1950s subdivision centered on Brackett Road, east side of road
- 3 late 1950s ranch houses, west side of road
- 4 late 1950s ranch houses, east side of road
- late 1950s ranch house, east side of road
- late 1950s ranch house, east side of road
- late 1950s ranch house, east side of road
- late 1950s ranch house, east side of road
- late 1950s ranch house, west side of road
- 1930s side gable bungalow, west side of road – loss of integrity

Liberty Hill Road – between Canton Morgan Roads

- c1950s Liberty Hill Church, north side of road
- c1940s – 1960s subdivision with 20+ resources, south side of road

Shallowford Road – between Canton Road and the GA Northeast Railroad

- late 1950s American small house, south side of road

Sandy Plains USGS Quadrangle (22 historic resources)

Sewell Road – between Roswell and Johnsons Ferry Roads

- c1900 New South cottage, west side of road – loss of integrity 1940s
- c1900 New South cottage, north side of road – loss of integrity
- 1950s gable front church, south side of road – loss of integrity
- c1900 central hallway cottage, north side of road – loss of integrity

East Piedmont Road – north of Sewell Road

- five (5) c1950s ranch house at near intersection with Sewell Road

Old Canton Road – north of Sewell Road

- 1950s ranch house, west side of road

Johnson's Ferry Road – between Sewell and Roswell Roads

- 1950s ranch, west side of road

Little Willeo Road – between Johnson's Ferry and Timber Ridge Roads

- Late 1950s Georgian House, north side of road

Old Canton Road – between Roswell and Robinson Roads

- 1940s American small house, east side of road

Robinson Road – between Old Canton Road and Roswell Road

- Frame 1950s ranch house, north side of road

Lower Roswell Road – between Old Canton and Johnson's Ferry Roads

- Four (4) 1950s ranch houses, north and south sides of road

Johnson's Ferry Road – between Lower Roswell and Paper Mill Roads

- c1950s American small house, west side of road
- 1940s American small house, west side of road
- 1940s American small house, east side of road

Paper Mill Road – between Delk Road and Sope Creek

- Sardis Baptist Church (historic front gable church) – loss of integrity

Mableton USGS Quadrangle (+60 historic resources)

Hicks Road – between Hurt and Concord Road

- fallout shelter, east side of road
- group of 1960s ranch houses, west side of road
- 1940s American small house, east side of road
- c1900 gable wing cottage, east side of road – loss of integrity

Hurt Road – on Mill Creek Lake

- c1950s ranch house with several historic stables and outbuildings, west side of road

Anderson Mill Road – between Floyd and Austell Road

- 1950 American small house, north side of road
- c1950 Colonial Revival style front gable church, northeast corner at intersection
- 1940s single family residence, north side of road

Floyd Road – between Austell and Nickajack Roads

- c1920s Craftsman bungalow, west side of road
- four (4) 1950s ranch houses, east side of road
- two (2) c1950 American small houses

Glore Road – between Clay and Floyd Roads

- 1930s bungalow, west side of road
- 1930s bungalow, east side of road

Gordon Road – between Veterans Memorial Highway and Alabama Road

- c1900s gable wing cottage, south side of road – loss of integrity
- 1940s/1950s American small house and ranch subdivision – multiple resources

Alabama Road – Gordon and Mableton Parkway

- c1900 central hallway cottage, north side of road (Furniture City)
- Furniture City – handful of 1920/30s houses with mix of 1950s and 1960s houses

Cardell Road – between Alabama and Pisgah Roads

- concentration of +10 c1940s American small houses
- concentration of several 1950s ranch houses and a few 1930s bungalow and 1940s American small house types – at intersection with Pisgah Road.

Pisgah Road – between Cardell and Alabama Roads

- concentration of ranch houses and American small house types
- three (3) 1930s Craftsman bungalows, southeast side of road

Cardell Road – between Pisgah and Gordon Roads

- concentration of 1930 – 1950s bungalow and American small house types
- Mt Pisgah Church, south side of road – loss of integrity
- 1930s hall-parlor, north side of road
- 1930s bungalow, north side of road

Veterans Memorial Highway – between Floyd and Dodgen Roads

- concentration of +20 1920s and 1930s bungalows and American small house types (Leland Community)

Northwest Atlanta USGS Quadrangle (49 historic resources)

Atlanta Road – between Westwood and Cooper Lake Roads

- 13 houses - small c1950s American small house subdivision

Lee Road – between Atlanta Road and Pine Roads

- American small house, south side of road
- ranch house, north side of road

Lee Road – west of Pine Road (deadend)

- four (4) 1940s/50s American small house types

Westwood Road – west of Atlanta Road (deadend)

- 13 houses – small c1950s American small house subdivision

Cooper Lake Road – between Atlanta and Pine Roads

- 1950s single family residence, north side of road

Maner Street – at end of deadend

- four (4) bungalows, right side of road
- three (3) historic houses at Maner and Cooper Lake Road to be demolished for new subdivision – “Maner Commons”

Weaver Street – between Cooper Lake Road and Daniel Street

- c1930s pyramid cottage, east side of road
- eight (8) houses – concentration of mostly c1940s American small house types
