

FIXED-ROUTE SERVICE

We offer two primary types of fixed-route bus service: Local and Express.

- Local Service begins and ends at a CobbLinc transfer center.
- Express Service (or commuter service) begins at a park-and-ride lot and travels to Midtown and/or Downtown Atlanta, connecting with MARTA rail stations and downtown employment centers.

CobbLinc buses have WiFi allowing commuters to connect to transit information and entertainment on board.

FLEX is a demand-response system. The Circulator is also part of the fixed-route system.
