

PARATRANSIT SERVICE

CobbLinc's paratransit service is a curb-to-curb, shared-ride service for paratransit eligible Cobb County residents who cannot access the local fixed-route buses. You must be certified through the Paratransit Eligibility Application Process to begin using this service. Our paratransit vehicles are equipped to safely transport both wheelchair and ambulatory riders. Customers are picked up at the closest curb to their pick-up location and dropped off at the closest curb to their drop-off location.

Paratransit service operates Monday through Saturday within a 3/4 mile area surrounding the existing local bus routes and limited areas of Fulton County. Customers can call 770.427.2222 Monday through Friday, 8 am to 5 pm to make reservations. If a trip requires travel from Cobb County to the MARTA Mobility service area, CobbLinc paratransit staff will coordinate this trip with MARTA Mobility. Paratransit vehicles do not travel outside of the paratransit service area.
