

TRANSPORTATION VOUCHER PROGRAM

The CobbLinc **Transportation Voucher Program (TVP)** assists elderly and disabled Cobb County residents living outside the paratransit service area in paying for private transportation services. Complete the Paratransit Eligibility Application Process to see if you qualify.

Once enrolled, the participant chooses a service provider from CobbLinc's pre-approved list and contacts them directly to make travel arrangements. On the day of the trip, the participant uses the vouchers to pay the provider's fee.

Service providers then send vouchers to CobbLinc staff for reimbursement. It's that simple.

To be eligible for the TVP, you must:

- have a documented disability and complete the Paratransit Eligibility Application Process
- live outside the paratransit service area
- be a resident of Cobb County
- be 18 years of age or older
