

## CHECK VOTING LOCATIONS, WAIT TIMES

As the General Election rushes toward its **Nov. 6** finish line, registered voters have numerous opportunities to cast their ballots in Cobb County.

Advanced voting is ongoing at polling places throughout the community. By Oct. 24, almost 30,000 residents had either already voted or submitted absentee ballots, according to the Cobb County Board of Elections and Registration.

Voters can cut down on having to stand in line by checking the estimated wait times for open polling locations through the “Advanced Voting” section of [cobbelections.org](http://cobbelections.org) or the “Early Voting” section on the Geographic Information Systems page through [cobbcounty.org](http://cobbcounty.org). The wait time estimates are updated four times daily for accuracy.

The early voting locations and available times are:

Monday-Friday, through **Nov. 2** (8 a.m.-5 p.m.):

- Elections Main Office, 736 Whitlock Ave., Marietta

**Through Oct. 26**, (8 a.m.-7 p.m.):

**There will be no voting on Saturday, Nov. 3, or Monday, Nov. 5.**

On Election Day, **Nov. 6**, polling stations open at 7 a.m. and close at 7 p.m. On this day, residents are required to vote at their assigned polling places. If you are in line at 7 p.m., you will be allowed to cast your vote.

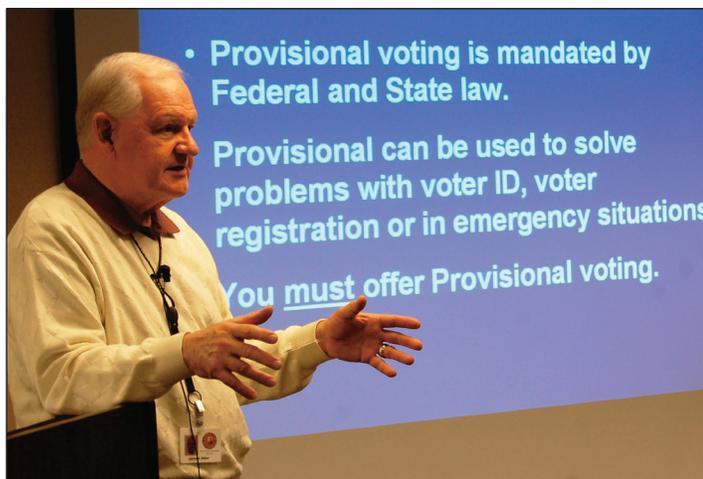

Voters may check their ballots and polling places through [cobbelections.org](http://cobbelections.org). At your polling location, you'll be required to present a valid photo ID, such as a driver's license, passport or voter identification card.

If you arrive at the polls on Election Day and are unable to show one of the required forms of identification or there is an issue with your voter registration, you can request a provisional ballot.

You will have three days from the close of polls to present acceptable identification to the county registrar's office for your vote to count, according to state officials.

Voting must be readily accessible to disabled and elderly voters. If you need special assistance to vote or access your polling place, contact the county registrar's office.

For more information, call Cobb Elections at 770-528-2581.

- Provisional voting is mandated by Federal and State law.

Provisional can be used to solve problems with voter ID, voter registration or in emergency situations

You must offer Provisional voting.

Poll workers are provided training on how to deal with issues with voters casting their ballots.

## Provide your feedback on transit services

CobbLinc staff is proposing several changes to its local and commuter bus service and the Cobb County Board of Commissioners wants your input. Visit [linkingcobb.org](http://linkingcobb.org) before **Nov. 3**, to review the proposed service changes and take a short survey to share your thoughts.

For the past year, Cobb Department of Transportation staff has been creating a short-term transit plan, called CobbLinc Forward, to help CobbLinc meet future transportation needs for residents, workers and business owners. These proposed updates would be implemented over a five-year horizon, but may start as early as March 2.

The recommendations in the CobbLinc Forward plan would:

- Provide Sunday service on all local bus routes
- Provide better service to more customers
- Provide major improvements to system reliability and on-time performance
- Better match service levels with transit markets
