CASE NUMBER

Your case number identifies your specific case. Please include this case number on any future e-mails, faxes, submissions, letters, plans, petitions, phone messages, etc.

NOTICE SIGNS

For Special Land Use Permits you will be issued one type of sign (grey in color). Post the sign on your property, near the road. The sign should face the road and should not be obscured by trees, bushes, cars, fences, etc. You may be issued more than one sign based on the linear-feet of the road frontage (1 sign per every 500 feet), or number of road frontages for the property. The sign should be posted in a manner that prevents signs from falling down, blowing away, curling or other damage to the signs (one example: a plywood backing with posts in the grounds). It is your responsibility to ensure the signs are posted properly every required day. Failure to properly post signs may cause a delay in hearing your request, and/or may result in the denial of your request. If the signs are lost or stolen, please visit the Zoning Division for additional signs. **BRING THE SIGN BACK TO THE ZONING DIVISION THE DAY AFTER THE FINAL ZONING DECISION BY THE BOARD OF COMMISSIONERS. Only the person or entity that originally paid the sign deposit is entitled to the refund amount.**

APPLICANT MEETING FOR SPECIAL LAND USE PERMIT

An applicant meeting will be set up after your application is accepted. This meeting is generally held a week and a half after the last filing date. You will be meeting with County Staff, which includes representatives from the Department of Transportation, the Water & Sewer Department, the Stormwater Management Division, the Fire Department, Planning Division and the Zoning Division. At this meeting, the County Staff is gathering basic information about the proposal. Additionally, the County Staff will let you know what will be required if your application is approved.

MAIL NOTIFICATION REQUIREMENT

Part of the requirements of the special land use permit process is for the applicant to notify all property owners in writing via first class mail, within 1000-feet of all property lines. Said notification is required to be postmarked 30 calendar days prior to the Planning Commission Hearing. The applicant shall submit to the Zoning Division a Certificate of Mailing from the United States Post Office by noon 21 days preceding the Planning Commission Zoning Hearing. Failure to properly mail notices may cause a delay in hearing your request, and/or may result in the denial of your request.

HEARING LOCATION

All hearings will take place at 100 Cherokee Street, Marietta, GA 30060, in the second floor Commissioners Meeting Room.

STAFF RECOMMENDATIONS

The County Staff only makes recommendations on special land use permits. The County Staff you've met with at the applicant meeting will submit written comments and recommendations to the Planning Commission and the Board of Commissioners prior to the hearings. The comments and recommendations are available by noon a week prior to the Planning Commission hearing. These may be picked up in person, or printed from the County's website at <http://zoning.comdev.cobbcountyga.gov/index.htm>. County Staff strongly recommends you get a copy of your recommendation before the hearing and you visit the Zoning Division before the zoning hearing to look through the file for opposition letters, or letters from concerned neighbors. County Staff recommends you try to compromise or work-out any concerns the opposition may have.
