Additional instructions for the applicant for Temporary Land Use Permit

CASE NUMBER

Your case number identifies your specific case. Please include this case number on any future e-mails, faxes, submissions, letters, plans, petitions, phone messages, etc.

NOTICE SIGNS

For temporary land use permits you will be issued one type of sign (blue in color). Post the sign on your property, near the road. The sign should face the road and should not be obscured by trees, bushes, cars, fences, etc. You may be issued more than one sign based on the linear-feet of the road frontage (1 sign per every 500 feet), or number of road frontages for the property. The signs should be posted in a manner that prevents signs from falling down, blowing away, curling or other damage to the signs (one example: a plywood backing with posts in the grounds). It is your responsibility to ensure the signs are posted properly every required day. Failure to properly post signs may cause a delay in hearing your request, and/or may result in the denial of your request. If the signs are lost or stolen, please visit the Zoning Division for additional signs. **BRING THE SIGN BACK TO THE ZONING DIVISION THE DAY AFTER THE FINAL ZONING DECISION BY THE BOARD OF COMMISSIONERS. Only the person or entity that originally paid the sign deposit is entitled to the refund amount.**

APPLICANT MEETING FOR TEMPORAY LAND USE PERMIT (if warranted)

An applicant meeting may be set up after your application is accepted. This meeting is generally held a week and a half after the last filing date. You will be meeting with County Staff , which includes representatives from the Department of Transportation, the Water & Sewer Department, the Stormwater Management Division, the Fire Department, Planning Division and the Zoning Division. At this meeting, the County Staff is gathering basic information about the proposal. Additionally, the County Staff will let you know what will be required if your application is approved. Most Temporary Land Use Permit cases do not require the applicant meeting; zoning staff will let you know if a meeting needs to be scheduled.

NOTIFICATION REQUIREMENT

Part of the requirements of the temporary land use permit process is for the applicant to notify all property owners in writing via the enclosed Consent of Contiguous Occupants or Land Owners petition. For poultry on a lot with less than two acres, the applicant shall notify all contiguous property owners in writing two weeks prior to the Planning Commission Hearing.

HEARING LOCATION

All hearings will take place at 100 Cherokee Street, Marietta, GA 30060, in the second floor Commissioners Meeting Room.

STAFF RECOMMENDATIONS

The County Staff makes recommendations on Temporary Land Use Permits. The County Staff will submit written comments and recommendations to the Planning Commission and the Board of Commissioners prior to the hearings. The comments and recommendations are available by noon a week prior to the Planning Commission hearing. These may be picked up in person, or printed from the County's website at <http://zoning.comdev.cobbcountyga.gov/index.htm>. County Staff strongly recommends you get a copy of your recommendation before the hearing and you visit the Zoning Division before the zoning hearing to look through the file for opposition letters, or letters from concerned neighbors. County Staff recommends you try to compromise or work-out any concerns the opposition may have.
