

- A** Existing House  
To be renovated for uses such as meetings, weddings and reunions.
- B** Lakeside Pavilion  
Picnics, reunions, events and general shelter when not rented.
- C** The Lake  
The lake to be dredged to facilitate fishing in more areas. An aeration system to be added as well. Seven lake platforms along the edges for fishing and relaxation.
- D** Playground  
Playground with soft surfacing and new equipment. Fenced Play Lawn around north side.
- E** Restrooms  
Restroom building.
- F** PARKING  
Asphalt driveway and pervious concrete parking spaces.
- G** Lakeside Trail  
Accessible concrete trail around the lake. Access to fishing areas with benches placed around the lake for relaxing and taking in the views.
- H** Little Noonday Creek Trail  
Secondary trail follows the level area along the creek. Kudzu and other undesirable plants to be removed.
- I** Picnic Area  
Thin trees and remove undergrowth to provide views to creek and lake.
- J** Interpretive Signage
