DERRELL WALKER
Recreation Program Manager

Dear Parents and Guardians,

We hope this letter finds you and your family well. As we begin the new camp season, we would like to welcome all of our new summer families; and would also like to extend a great welcome back to each of our alumni families! As our camp population continues to grow, we are excited to meet the interests of all campers with newly improved programming. Our qualified staff will do their best to introduce your campers to visual arts, athletics, performing arts, fitness, technology, adventure and more. The dedicated staff at our camp sites are looking forward to having another great summer!

Carefully review all the information in this packet and feel free to call one of the listed camp sites with any questions or concerns. You may also visit our website at: www.cobbparks.com Please make sure you fill out all your forms and return them before camp begins. Your child may not attend camp unless you have completed your enrollment and emergency contact forms. Last year's forms are not acceptable to admit your child into camp.

We thank you in advance for giving us the opportunity to service your summer camp needs where our goal is to have fun, have more fun, and create great ever lasting memories!

Sincerely,

Derrell Walker

Summer Camp Polices

At Cobb County PARKS, we are committed to providing every camper the best and safest possible camp experience. From our programming to our policies, everything we do is steeped in our philosophy “Cobb County.... Expect the best”. We strive to building holistically healthy kids through engagement with understanding, caring & professional counselors laying the foundation for a fun, exciting summer.

DISCIPLINE POLICY

Our Camp staff uses the positive techniques of guidance, including logical or natural consequences applied in problem situations, redirection of children to more acceptable behavior, anticipation of and elimination of potential problems and encouragement of appropriate behavior rather than

Anti-Bullying Policy

Bullying is when one or more people exclude, tease, taunt, gossip, hit, kick or put down another person with the intent to hurt. Bullying happens when a person or group of people want to have power over another; and use their power to get their way at the expense of someone else. Bullying can also happen through cyberspace: the use of e-mails, text messages, instant messaging, and other less direct methods.

comparison, competition or criticism.

Consistent and clear rules are established. Staff members encourage children to solve problems rather than imposing solutions and help children to recognize and respect one another’s feelings. Counselors encourage pro-social behavior such as cooperation, helping, taking turns and constructive verbal communication to solve problems. The goal is to help children internalize rules and become self-directed in their behavior.

All camp sites reserve the right to dismiss a child for consistent behavior that makes it difficult or impossible for the staff to meet his/her needs and/or the needs of other children in the group. This will occur without a refund (or portion thereof) or credit towards a future program. This will occur only after parent/staff discussions have occurred.

Bullying is inexcusable, and we have a firm policy against all types of bullying. At our camp locations, we strive to ensure that all campers gain self-confidence, make new friends, and leave with cherished memories and friendships that last a lifetime. There is Zero tolerance for Bullying, in all its forms, and will not be tolerated.

We will address all incidents of bullying seriously and train our counselor staff to alert Camp Directors of any problems related to bullying. Every person has the right to expect to have the best possible experience at camp, and by working together to identify and manage bullying, we can help ensure that all campers and staff have a great summer.

****Our camp is no place for a bully. A bully sent home will stay home: No return to camp this summer and no refund.**

ILLNESS & LICE POLICY

All Camps should be notified by phone or email if a child is ill, especially if the illness is communicable. Internally, we keep track of the instances of communicable diseases at camp, and when appropriate will notify the parents of all children that may have been exposed, while respecting the confidentiality of campers and families involved.

Communicable Diseases

Campers who have communicable diseases will be sent home and may not return to camp until the illness has been treated successfully and the camper is

symptom free. Camper(s) may only return with a doctor's note.

Lice

Campers who have signs of head lice (itching, head irritation, etc.) will be removed from their group and escorted to the camp office by the Camp Administrator. If we believe there is a possibility of head lice, we will ask the family to pick their camper up from camp. In order to return to camp, a camper must have had all active lice removed from his or her hair & and no longer show any signs of infestation, itching or irritation.

INCLUSION POLICY

Cobb County strives to provide a safe and supportive environment for each camper as they work to discover and grow with us regardless of race, gender identity, ethnicity or background. Our goal is to create an atmosphere where campers feel secure enough to expand their comfort zones, try and discover new passions and stretch themselves. We have a diverse camper and staff base, and will work to ensure that all of our staff have the appropriate training and emotional intelligence to effectively support our campers along their journey. Incidents that involve any demographically-based or historically charged language or actions that may jeopardize a camper or staff member's physical or emotional safety will be immediately escalated to camp site Directors and could result in dismissal from camp without a refund or credit.

POLICY ON ELECTRONICS, TOYS, TRADING CARDS & PIN

Our Summer Camps strives to provide a program free from video games, cell phones, audio players, toys and other distractions. Please do not permit your child to bring any of these items to camp. They will be busy throughout the camp day and these items tend to get lost or misplaced when brought to camp.

POTTY TRAINING POLICY

All campers attending Camp are expected to be fully potty-trained by their first day of camp. We ask that families provide an extra set of clothes with campers, if a camper has a history of bathroom accidents. If an accident occurs during camp hours, the Staff and Camp Administrator will notify the camper's primary parent/guardian.

SUNSCREEN POLICY & PROCEDURE

Our policy is to do everything possible to protect campers from excessive exposure to the sun, while still allowing them to get the most out of outdoor games and activities.

Sunscreen

Parents/guardians should provide sunscreen for use during the camp day. Sunscreen sent to camp should be placed in a sealed plastic bag and labeled with the child's first and last name.

Families are responsible for applying the first layer of sunscreen prior to morning drop-off and provide it for use during the camp day.

During the camp day, Camp staff will supervise ensuring that each child reapplies sunscreen to exposed skin—including the face, the tops of ears, and bare shoulders, arms, legs, & feet—prior to campers' participation in outdoor programs. Counselors will not allow sunscreen to be applied when the skin is broken or an adverse reaction has been observed. When staff notices these reactions, they will report them to the Camp Director who will contact the camper's family. If parents/guardians have more than one camper attending camp, we ask each camper have their own supply of sunscreen so that it is readily accessible throughout the camp day.

REFUND & CREDIT POLICIES

Registration fees are 100% refundable when the department cancels the activity. A participant wishing to withdraw from an activity/camp that has not been cancelled by the department must provide a request at least seven days before the scheduled start of the activity/camp. They may receive 100% credit to the family's account or may request a refund. Within the week prior to the scheduled start of a class refund/credits will not be given except for verified medical/hardship cases. Refunds for payment made by cash or check will be received within 30 days after the refund is requested. Senior Services and Therapeutic Recreation Services Special Events and Trips are non-refundable.

If you wish to cancel your camp registration or apply for a credit to another week of camp, you must do so by contacting your camp site director by email. The following policies and timeline apply.
