

**2020 WINTER FLAG FOOTBALL LEAGUE  
TERRELL MILL PARK**

**STANDINGS AS OF 2-16-20**

<b>Flag Football</b>	<b>W</b>	<b>L</b>	<b>Runs Scored</b>	<b>Runs Allowed</b>
Get Open	5	0	170	12
Killer Goats	5	1	157	75
Lions	2	4	60	80
Show Me the TDs	2	4	35	131
East Cobb Cardinals	0	5	12	136

TEAMS IN THIS LEAGUE WILL PLAY IN A **DOUBLE ELIMINATION** TOURNAMENT TO DETERMINE ITS CHAMPION.

**ADULT FLAG FOOTBALL TIE BREAKER**

The following procedure will be used to determine the first-place finisher at the end of the season, or break ties for any place.

**TWO WAY TIE:** If two teams are tied with identical records, the winner would be the team that won the game(s) when the two met. If the two teams split their game, the team with the highest average point differential will win. If the teams are still tied, the team that gave up the fewest points will win.

**THREE WAY TIE:** If three or more teams are tied, the winner will be determined by the point differential average per game, unless one team has defeated all the others (must win both games if two games were played).

**TO FIGURE AVERAGE POINT DIFFERENTIAL:**

WIN/LOSE SCORE POINT DIFF/GAME

Example: Team A WIN 21-14 +7

LOSE 26-20 -6

WIN 40-36 +4

WIN 35-0 +35 WIN 14-7 +7

WIN 21-20 +1

LOSE 16-6 -10

LOSE 40-35 -5

---

+33

Avg. Point Differential -  $+33/8 = 4.125$  APD

If two teams then have the same average points per game differential, the team that won the game(s) played between the two teams during that half would determine the winner. If the teams split their games, then the team that gave up the fewest points will win. If a team registers a forfeit (win or loss), the results for tie-breaker will be optional, if forfeit decreases differential then score will be dropped from average. Losing game will be calculated with total games.
