& regulations

rules

Parent/Guardian Responsibilities

- When arriving at or departing from a program, **please CHECK-IN with the TRS staff before you leave or take your participant.**
- Please contact the TRS office at 770-528-2562, if your participant will be absent from a program.
- **Parents/Guardians should be prompt in picking up their participant** at the end of the program. Both staff and volunteers would greatly appreciate your cooperation, as they often have additional responsibilities following a program.

Behavior Code of Conduct

- TRS participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make TRS programs safe and enjoyable for all participants. Additional rules may be developed for the particular programs and athletic leagues as deemed necessary by staff.
- **Participants will:**
 - ◇ show respect to all participants and staff and follow all directions given by staff.
 - ◇ will not use abusive or foul language
 - ◇ refrain from causing bodily harm to self, other participants, or staff.
 - ◇ show respect for equipment, supplies, and facilities.
 - ◇ refrain from smoking or consuming alcoholic beverages during Cobb County events and outings.

Discipline: A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, prompt resolution will be sought specific to each individual situation. TRS reserves the right to dismiss from the program a participant whose behavior endangers the safety of themselves or others.

The Buddy System: If staff consistently observes disruptive behavior, according to the Code of Conduct, it will be brought to the attention

of the parent/guardian. TRS staff will determine if the participant will require a "buddy" to attend future programs. TRS staff will try to assist the parent/guardian in finding a "buddy", however, it is the responsibility of the parent/guardian to find a partner for the participant in order to continue to attend future programs. When the participant's behavior improves, the TRS staff will assess the progress of the participant to determine if the "buddy" is still needed. If disruptive behavior continues, the participant will be excused from the program. If a "buddy" is needed for a participant, there may be additional costs for them to attend any event(s) -this is the responsibility of the parent or guardian.

Lost and Found: TRS staff is not responsible for personal items that are left at a program. Please help us keep track of your participant's belongings by labeling all items (including clothing) they bring to programs. Contact TRS to inquire about lost and found items.

Participant Medical Information (PMI): Returning Participants are required to submit a PMI form every year during the spring registration. If at any time information changes, please call TRS or mail an updated form. Forms may be obtained from the TRS office. Any new participant must complete a PMI form before beginning any activities with the TRS Unit.

Dispensing of Medication: If a participant is in need of assistance (other than a reminder) to take prescription medication, a permission form allowing TRS Staff to administer the medication must be completed by the parent or guardian before attending any program. **Any medication given to TRS staff needs to be in original container.**

Atlanto-axial Dislocation Condition: Individuals with Down Syndrome are at risk of having ADC which allows increased mobility of the first and second neck bones. For the safety of TRS participants, individuals with Down Syndrome will not be allowed to participate in activities such as swimming, gymnastics, aerobics, which could injure the neck area, unless they have a doctor's excuse stating they are free of ADC. An x-ray by a doctor is necessary to detect if the condition is present

All activities, prices, dates and times are subject to change.
