

Dodgen Middle School

School Zone Safety & Operational Improvements

Cobb County...Expect the Best!

PROJECT FACT SHEET | JUNE 2020

Dodgen Middle School

School Zone Safety & Operational Improvements

The Cobb County Department of Transportation (Cobb DOT) and the Cobb County School District (CCSD) are committed to the safe and efficient movement of traffic and pedestrians within Cobb County school zones. To improve traffic safety and operations, both agencies have cooperated to create a new and improved traffic flow for Dodgen Middle School (MS) that will allow for greater on-site queuing and alleviate current traffic backups on Bill Murdock Road.

Beginning August 3, 2020, with the return of students from summer break, the drop-off/pick-up line will be double stacked, creating two one-way lanes. These lanes will merge into one curbside lane at the actual student drop-off/pick-up location (see map on the reverse side for details). New signs, pavement markings, and other traffic control devices will be installed to guide traffic flow.

For more information, contact Dave Garrett at Cobb DOT (770-420-6654 or dave.garrett@cobbcounty.org).
