

J. J. Daniell Middle School

School Zone Safety & Operational Improvements

Cobb County... Expect the Best!

PROJECT FACT SHEET | MAY 2020

J. J. Daniell Middle School

School Zone Safety & Operational Improvements

The Cobb County Department of Transportation (Cobb DOT) and the Cobb County School District (CCSD) are committed to the safe and efficient movement of traffic and pedestrians within Cobb County school zones. To improve traffic safety and operations, both agencies have cooperated to create a new and improved traffic flow for J. J. Daniell Middle School (MS) that will allow for greater on-site queuing and alleviate current traffic backups on Scott Road.

Beginning this summer, the southern driveway for J. J. Daniell MS will be a restricted entrance for buses and employees only. This driveway will not be used as an exit by any vehicles, including buses. All vehicles, other than employees and buses, will enter using the northern driveway. Also, the northern driveway will be the sole property exit for all vehicles.

New signs will be installed to guide traffic flow. Additional site improvements to accommodate this traffic flow include creating a new parking lot connection with two one-way lanes for student drop-off/pickup (see map on the reverse side).

For more information, contact Dave Garrett at Cobb DOT (770-420-6654 or dave.garrett@cobbcounty.org).
