COVID-19 Considerations

- These courses have been re-designed to maintain social distancing recommendations put in place by Georgia, the CDC, and the American Red Cross.
- Lessons in our Parent and Child program will be led by an instructor, but parents will be conducting the drills, exercises, and games with their children. No contact will be made between instructors and participants. Lessons in the Learn to Swim program will be led by an instructor from the pool deck.
- Five participants (or five participants with their parents) will be allowed per class. (Adult Basics 2 will have four participants.)
- Classes have been staggered to allow for cleaning and sanitization between classes and to ensure social distancing expectations can be followed while inside the facility.
- Masks are highly recommended. Instructors will be wearing a mask or face shield.
