

ABOUT YOUR HEALTH CENTER

COBBHEALTH WELLNESS CLINIC

Meet Your Provider **Katherina Ekeji, MD**

- + General family medicine
- + Performs physical exams, orders and interprets tests, writes prescriptions, and provides treatments

Staying healthy is the most important thing you can do for yourself and others. Our health center will help you meet your goals and is free to employees, pre-65 retirees, and their dependents covered by Cobb County's medical plans. The center is staffed with a full medical team, including a physician assistant, nurse practitioner and a board-certified physician.

Access & Service Reminders

- + Appointments are necessary to be seen by practitioner
- + Please arrive on time for your appointment or you may be asked to reschedule (\$25 no-show fee)
- + Prescription refills require a health center visit
- + For a medication refill appointment, call 3-5 days prior to running out of the medication
- + Blood work requested from a physician requires a written order
- + It is against clinic policy to prescribe controlled substances
- + Antibiotics are only prescribed when medically necessary
- + Utilize the after-hours care line to keep in touch or update your primary care physician
- + We encourage you to sign a medical release so that we may collaborate with your primary care physician
