League Info

- Matching jersey with numbers is not required but encouraged.
- Teams can bat as many players as are in attendance at game time. Each team must field at least eight (8) and no more than eleven (11) players. If neither
- At least **3 females** must take the field at all times. There are no infield or outfield requirements for male and female fielders. Defensive alignment is at the team's discretion.
- Fielders can be changed anytime between and within innings.
- The kicking order should be exchanged with the other captain prior to the start of the game. Each team will monitor that the kicking order is correct. If a team kicks out of order the opposing team must notify the referee no later than the first roll thrown to the subsequent kicker. If the referee confirms the player kicked out of order, that player will be counted as an out.
- Men and women must alternate in the batting order when able. If there are more men batting than women the order must distribute the women throughout the lineup.
- A regulation game will be 7 innings or one hour in length, whichever comes first. No new inning should be started after 59 minutes have been played.
- Referees are responsible for making calls on balls, strikes, outs, and runs scored for their respective fields, and the referee's call is the final decision in all matters.
