Call for Entries for 2021 waterSmart High School Photography Contest

MARIETTA, Ga. (January 27, 2021) – The Cobb County Water System (CCWS) and the Cobb County-Marietta Water Authority (CCMWA) announce the opening of the 2nd Annual waterSmart High School Photography Contest.

This contest invites high school students enrolled in Cobb County and City of Marietta School Districts to enter a photograph in one of 6 categories: Water at Play, Water at Work, Water in Nature, Water and People, Protecting Water, and Conserving Water. Deadline for submissions is Friday, February 26, 2021. A virtual reception to honor winners will be held after winners are announced. Twelve winning entries will receive a cash prize and are created into notecards that are distributed throughout the county.

The waterSmart program was initiated by the CCMWA in 2000, to educate its service area residents of all ages about the importance of indoor and outdoor water conservation, and to help encourage sustainable, year-round conservation, regardless of climate conditions.

For more information on entering this contest, visit <https://www.cobbcounty.org/water/education/schools/school-contests> or email waterefficiency@cobbcounty.org.
