Stats

- Cases to date:
 - 52,798 (PCR)
 - 12, 855 (Antigens)
- 2-week case rate PCR 415/100,000
- Deaths 809 with confirmed and presumptive
- (754 Confirmed, 55 Presumptive)
- Seeing additional improvement in hospital admissions

GA DPH Phase 1A+

More Georgians to Become Eligible to Receive COVID-19 Vaccine

DECEMBER 30, 2020

Vaccine Administration in Georgia

WE ARE IN PHASE

1A+

- Healthcare workers including nurses, physicians, EMS, laboratory technicians, environmental services
- Long-term care facilities (LTCF) staff and residents
- Adults 65+ and their caregivers
- Law enforcement, fire personnel (including volunteer fire departments), dispatchers, 9-1-1 operators

1B

- Essential workers (non-healthcare) who perform job tasks across critical infrastructure sectors, ensuring continuity of functions critical to public health, safety, economic and national security

1C

- Persons aged 16-64 with medical conditions that increase the risk for severe COVID-19

Equity Statement: In each population group, vaccine access will be prioritized geographically, based on vaccine accessibility, disease burden and risk associated with socio-economic status, race and ethnicity, and geographic location. Final populations are dependent on approved EUA guidance and ACIP vaccine eligibility recommendations (e.g., children and pregnant women).

Healthier lives. Healthier community.

<https://dph.georgia.gov/covid-vaccine>

Vaccines

- 20,070 doses given (Cobb 17,960)
- Over 791 administered at Jim Miller today

Status

- Only giving second doses at this time
- Have a small number for first doses. Will work with Cobb Senior services and partner for an outreach event with some of the most vulnerable residents.
- Vaccine supply not thought to be increasing much until March-April
- Johnson and Johnson applied for Emergency Use Approval from FDA . FDA has scheduled meeting February 26 for review.
- Working with community partners on creation of mass vaccination sites

Takeaways...

- Hope for more vaccines on the horizon in the next few months
- Concerns for the variant strains in the state and community. Identified multiple cases of UK Strain in the county. More added yesterday.
- Prevention must be adhered to:
 - Wearing masks
 - Physical distancing
 - Washing hands
 - Not gathering outside of households
