ENGINEER'S CERTIFICATION  
OF  
WATER QUALITY FACILITIES

I, \_\_\_\_\_ a registered professional engineer in the state of Georgia, hereby certify with my signature and seal, that the water quality facilities in the development known as \_\_\_\_\_ lying in land lot (s) \_\_\_\_\_ of the \_\_\_\_\_ district, Cobb County, have been constructed in conformance with the approved site plan and hydrology study. This certification is specifically, but not limited to, water quality pond volume, elevation of earthen dam or top of wall, and size and elevation of weir openings.

Signature: \_\_\_\_\_ SPR# \_\_\_\_\_

This \_\_\_\_\_ day of \_\_\_\_\_ 20\_\_

Georgia Registration Number: \_\_\_\_\_

Stamp & Seal:
