**Exams are on a first come first come basis. You will receive a confirmation email IF your child has been selected for an exam.**

This summer, Cobb County Public Library System, in coordination with Vision To Learn, will offer vision screenings, eye exams, and, if necessary, glasses for your child. **These services are free and will be provided at NO COST to you.** Quality vision care is an important component of education; students that cannot see often struggle to learn to read, to see the board, and to succeed academically.

During the course of this event, your child will be screened. If your child fails the screening, a trained and licensed Optometrist will then perform a basic eye exam on your child, and will prescribe glasses if appropriate. You will be informed if your child may need follow-up care.

Following the eye exam, if your child needs glasses he/she will have the opportunity to pick from a variety of frames, and glasses will be ordered for your child. Approximately 4 weeks later, Vision To Learn will return to the library to deliver your child's glasses. You will be notified by library staff once glasses are ready for pickup. **The eye exam and eyeglasses are available to all students who need them, at no out-of-pocket cost to parents or children.**

*\*In light of the COVID-19 outbreak, we want to ensure the safety of our patients and employees. We have created a customer and patient experience that prioritizes hygiene and safety without sacrificing our quality of care.*
