Join us to learn, grow  
and re-imagine the  
path forward, together  
in Cobb County.

## United Way of Greater Atlanta is excited to present the 21-Day Racial Equity Challenge in Cobb!

Disparities across race and zip codes are holding us back and limiting the opportunities for our children. This may be our present reality, but it doesn't have to be our future! The 21-day Racial Equity Challenge is a powerful opportunity to learn more, grow as an ally and advocate, and re-imagine a united path forward as an equitable Greater Atlanta.

The self-guided learning series explores the history and impact of racism and how it has shaped child well-being across Greater Atlanta. Gain insights, tools for courageous conversations, resources for healing, and discover ways to engage and act while building connections to a network of leaders.
