The following addendum hereby amends and/or modifies the Request for Proposals (RFP) as issued for this project. All proposals are subject to the provisions of this Addendum. **Proposers shall acknowledge receipt of this addendum.**

**I. QUESTIONS AND ANSWERS:**

- Q.** On page 8 of the RFP, under Evaluation Criteria: 4. Availability. Can you please clarify what is meant by “time schedule of the proposer in relation to that of the proposed project location of the offices or facilities from which the services are to be provided to the County,” and how that information will be evaluated? Does this refer to the physical location of the employees who will perform the work? Are you looking for an actual project schedule?
- A.** **The proposer will be evaluated on their time schedule as it relates to the office(s) from which they will provide their services to the County and how much time the proposer is expected to be available for the project.**
- Q.** May we put summary resumes for the project team in our response to RFP Section 1 (Staffing) and include full-length resumes in an appendix that does not count against the 20-page limit?
- A.** **Resumes count towards the 20-page limit regardless of placement in an appendix.**

Questions were received via email to [purchasing@cobbcountry.org](mailto:purchasing@cobbcountry.org) no later than Noon on Wednesday, September 1, 2021.
