I. QUESTIONS

- Q. Listed as forms to be included with our submittals are a Letter of Intent, DBE Participation Schedule, Government-wide Debarment and Suspension, and Lobbying Restrictions. Those forms are not attached. May we assume that instruction is a hold-over from another RFP? Please advise.
- A. **The listed forms are typical forms required by Cobb County DOT but are not required in response to this RFP.**
- Q. Are subconsultant projects required/allowed?
- A. **Subconsultant projects are not required but can be included to clearly depict strengths of your proposed team.**
- Q. On page 3 under Proposal Format/Submitting Procedures, it states “All addendum acknowledgement forms are to be signed and included in the proposal”. That form was not included. Will the county be providing that form? If not, how would the county like for us to acknowledge addenda?
- A. **The addendum acknowledgement form is included as the last page of each addendum. The form should be signed and included in your proposal.**
