

Schedule your inspection by texting Cobb County's automated service: *It's fast and easy!*

1. Send one of the following words to 877-376-1455
 - a. SCHEDULE – to schedule an inspection
 - b. CANCEL – to cancel an inspection
 - c. RESULTS – to obtain inspection results

2. You will receive the following text message:

You have reached the Cobb County Premiere Permitting SelecTXT system. What is your permit number? (10 digit number, INCLUDING the dash Ex: 2000-123456

3. Reply to that message with your permit number INCLUDING the dash.
4. You will receive the following text message:

The address is _____. What 3-digit inspection code would you like to schedule? For a list of inspection codes, enter LIST. If the address above is incorrect, enter BACK to try a different Permit.

5. Reply to that message with the 3-digit inspection number. **Inspection numbers are listed on the back of this page. You may also reply to this message with "LIST" for a list of inspection numbers.**
6. You will receive the following text message:

Enter NEXT for next available inspection date.

7. Reply "NEXT" to that message.
8. You will receive the following text message:

The next available date is DAY, DAY/MO/YEAR. You are scheduling the following inspection: _____ Address _____

000 Inspection Name DAY, DAY/MO/YEAR

To finalize the inspection enter CONFIRM. To edit any of the above inspection details, enter BACK.

9. If all details are correct, reply to that message with "CONFIRM"
 - a. **IMPORTANT: If you do not finalize your inspection by sending "CONFIRM" your session will time out and inspection WILL NOT be scheduled.**
10. If the wrong inspection is shown, reply to that message with "BACK" and follow the prompts.

- **Tip:** Save this phone number: **877-376-1455** to your phone as "COBB INSPECTIONS" to easily find this texting service for your next inspection.
- **Tip:** Fire Inspections can **only** be scheduled through the **Fire Marshal's office at 770-528-8310.**
