Summary of Plan Pricing: 2026

Overview

All licenses are *one-year subscriptions,* with optional renewal. Custom multi-year packages are available.

Individual Plans **=** Named-Seat License
Organizational Plans = Non-Named Seat License (i.e. you can cycle supported individuals through your agency or organization.)

All user licenses include Cognitopia accounts for all support team members at no additional cost *(e.g. educators, parents, coaches, therapists, parents, managing employers.)*

Standard Individual Plan $**499**.

Annual subscription plus unlimited virtual training and ongoing technical support. Standard plans may be funded through Vocational Rehabilitation or Developmental Disabilities Services programs for assistive technology.

Basic Organizational/District Plan **$4000.**

Yearly subscription includes organization account and 15 individual accounts, 6 hours of virtual staff training, and ongoing technical support.
Additional users may be added at a discounted cost of $108/yr. The average cost per supported person shrinks the more individuals you support. For example:

15 seats @ $4,000 = 267/user
50 seats @ $7,780 = 156/user
100 seats @ $13,180 = 132/user

Customized volume pricing and training packages available.

Customized Training and Development Options

Customized onsite and virtual training packages available.
Development and systems integration available @ $225/hour. Please contact us to discuss your needs.
