COMMUNITY HEALTH PARTNERS, INC.

Community Health Partners (CHP) believes that each employee makes a significant contribution to our success. That contribution should not be limited by the assigned responsibilities. Therefore, this position description is designed to outline primary duties, qualifications and job scope, but not limit the employee nor CHP to just the work identified. It is our expectation that each employee will offer his/her services wherever and whenever necessary to ensure the success of our endeavors.

Job Title: Registered Nurse  
Position Status: non-exempt  
Effective Date: 2/2019  
Reviewed By: Nursing Director

**JOB SUMMARY:** Functions as a member of the primary health care team under the general supervision of the Clinic Director and under clinical supervision of the Nursing Director. Provides patient-centered, professional level nursing service which focuses on assessment and implementation of the patient’s clinical care plan. Provides care to patients of all ages and ability levels.

**ESSENTIAL JOB FUNCTIONS:**

1. Works collaboratively as a team member to provide patient care in clinic setting with the primary role of: appraising individual and family needs, and applying nursing process in identifying and responding to health and psycho-social needs of patients with respect to the values and preferences of the patient in line with clinic policies and procedures.

2. Respectfully interacts with patients while performing vital sign assessments, histories, screenings, medication reconciliation, education, labs, and procedures per evidenced based guidelines.

3. Administers prescribed treatments or emergency care, performs diagnostic tests, and administers preventive immunizations or treatments.

4. Assists physician and/or mid-level practitioner in preparation of and during exams and procedures.

5. Conducts follow-up and monitoring of care plan in conjunction with care team.

6. Conducts monitoring of practitioners’ patient panel according to clinic guidelines.

7. Maintains acceptable methods of charting and record keeping providing for consistent, organized patient care per clinic policies and procedures.

8. Triages patient calls, assessing for treatment needs in a timely manner.

9. Collaborates with team members through huddle to determine and administer treatments for disease management and preventative cares.

10. Educates and counsels patients using easy to understand (health literate) language.

11. Understands CHP sliding fee scale with respect to how it may impact care options.

12. Understands community partnerships and programs, works collaboratively with CHP team members to enhance patient health education, provide information, arrange referrals to other practitioners and resources including the Medication Assistance Program (MAP).
13. Actively involved in day-to-day clinic scheduling and patient flow issues.
14. Participates in problem solving and Continuous Quality Improvement (E2) and risk management activities by applying LEAN principles, engaging in Patient Centered Medical Homes and Meaningful Use recognition programs and working to implement patient centered communication skills.
15. Helps to maintain medical equipment and clinical supplies through communication of inventory needs and proper storage.
16. Ability to report to work as scheduled and work a flexible schedule when needed which may include travel to other sites.
17. Maintains current Montana Nursing license.
18. Furthers the mission of CHP through active support of the strategic goals.

Skills and Attitudes

1. Experience working with limited resource population.
2. Ability to work with grace under pressure.
3. Ability to work in a team and to share responsibilities and duties.
4. Ability to resolve interpersonal conflict in a straightforward and timely manner.
5. Ability to set priorities, be organized, and be a self-starter.
6. Ability to be friendly, empathic, and an adept communicator.
7. Ability to treat both staff and patients with respect.
8. Ability to navigate technology efficiently.
9. Ability to gracefully accept and respond to feedback.
