

## Blessed are You, Lord our God, King of the Universe...

...who remembers the covenant, and is  
faithful to His covenant, and keeps His  
promise. (said when you see a rainbow)

...who with his word brings on evening and  
rolls the light away from before the  
darkness. (said when you see the sunset)

...who enacts the works of Creation.  
(said when you see the sunrise)

...whose power and might fill the world.  
(said when you have a thunderstorm)
