

## Kinwise Mission 02: The Pebble Power Challenge

In our world, Time and Money are like pebbles. We only have a few each day!  
Your mission is to plan your weekend adventures using the "Power of the Pebbles."

Step 1: Write or draw 4 things you really want to do this weekend in the boxes below.

Step 2: You have exactly 3 pebbles to spend. Look at the "Pebble Cost" for each box and decide where they go.

### Parents: Talk together

- Which activity did you choose first? Why?
- How did it feel to say "not this time" to something?
- If these pebbles were money in a piggy bank, would you spend them the same way?
