

Interview Tournament Tips

1. Job descriptions for rounds 1 and 2 will be announced at the tournament welcome meeting.
2. You may bring a notebook with notes and a pen in the room.
3. Deep breath. Big smile.
4. As you enter, introduce yourself to each judge and shake his/her hand. Direct your eye contact to the judges.
5. ROUND 1 - sit in a chair
ROUND 2 - sit at a table
ROUND 3 - sit at table with other candidates

All three rounds, think about how you are best suited for the job.

6. After the interview, say, "Thank you," and shake the judges' hands once again.

It is very important you practice these steps at home! Muscle memory will kick-in when you are nervous to help you.
