

The Gender Agenda **noun**

The **the** Gen·der **'jen-dər** Agen·da **ə-'jen-də**

1: the system of traditional social gendering within a society

The Gender Agenda inflicts social gendering upon a society

2: the act of repeatedly impressing upon humans the traits and roles that allegedly come along with having male or female anatomy

The Gender Agenda pressures a society into conformity according to a biological theory and consequently crushes individuality and authentic self-expression
